*This represents the Company's issued ordinary share capital and total voting rights following the cancellation of the shares referred to above which have been repurchased today on the UK Venues. There are no ordinary shares held in treasury. This total voting rights figure may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the Financial Conduct Authority's Disclosure Guidance and Transparency Rules.
